SUBJECT: IN RE: Commonwealth v. Dowling  
No. 1:13-cv-0510-ARC

PER M. E. V.  
DEPUTY CLERK

Dear Sir or Madam,

Please respond promptly as this matter is urgent. I am an indigent inmate on Pennsylvania Death Row. There have been a series of filings in the above matter. I am unable to obtain them from my attorneys. I have a right to all filings related to my case.

Please send me copies of all filings or Orders made by Judge Caputo in this specific matter listed above, especially the Motion to Dismiss the Attorney General's Motion filed by the Federal Community Defender Office, and the Motion to Remand the Issue back to state court, filed by the Pa. Attorney General. Since I have no idea what is on the docket sheet, I need to know if there were any other filings or orders on this issue.

I am indigent, but if I must pay for those copies, please respond promptly and advise me how much it will cost. I am aware that Oral Argument is scheduled on June 19, 2013, so please respond soon.  
Thank you.

cc. file

Sincerely,

  
Kevin Brian Dowling
